Subject: FW: BayWEB Assignments and Deadlines

All,

In my meeting with our partner today, Wiley-Rein has put together a timeline with due dates for this project. Please see the attached. Some of the items are due tomorrow. Obviously, with everyone traveling, we will not meet some of these deadlines. Please give me a realistic response so I can have something back to them tomorrow. Thanks!

Subject: BayWEB Assignments and Deadlines

Hi Clement,

Here is the document that outlines the assignments and deadlines for the grant submission. Please note the deadlines that Wiley Rein has indicated.

Please review and forward to your Core team.

Best regards,
Aneesh
