Re: Interoperability Showing Supplement for San Francisco Bay Area Urban Area PS Docket No. 06-229

Dear Chief Barnett:

The Bay Area Urban Area respectfully requests that the Bureau toll the 60-day deadline for the Bureau's action on our Interoperability Showing as adopted in the August 17, 2010 order in PS 06-229, so that we may provide necessary supplemental information. This request is consistent with the treatment of the other Waiver Recipients. At such time that our showing has been sufficiently supplemented, we request that the Bureau continue to review and act expeditiously on our showing.

Respectfully,

Laura Phillips,  
Executive Director
